Class 117

we're so glad you're here!

Congratulations English Major Freshmen!

Dear **Class 117**,

Congratulations to all of you! You are going to be a freshman this coming September. On behalf of the English Department, I would like to welcome you to join NCUE's English family this fall.

You are going to study in a brand new school, and probably will leave your family if you are not from local areas. It is definitely a challenging situation, but it also offers a great opportunity for you to grow. So embrace it!

Best,
Hsiang-chun Chu, Department Chair

Educational Program

EDUCATIONAL CREDITS & CERTIFICATION

If you aspire to become a middle-school English teacher, you can take credits from NCUE's educational program. We offer educational credits for pre-service English teacher training. For the past 50 years, we have cultivated many excellent English teachers.

In addition, you can also take credits towards a bilingual teacher's certificate while you are earning your bachelor degree.

Minors and Double Majors

INCREASE YOUR COMPETITIVENESS

If you want to explore interdisciplinary content from other domains, you can consider taking credits in subjects offered by other departments at NCUE.

Some popular minors or double majors among our students are business administration, finance, and management. You can take time to explore the areas that are best suited to you and your future. The sky is the limit! We are here to help you soar.
